Strange mists and weird lights glimmer and seethe along the banks of the Drachenvold Swamp. The folk of Kingshire have vanished like ghosts into the swamp, leaving only strange idols in their wake. At the heart of the fetid marsh, ruins of an ancient keep are all that remain of a once mighty band of rebel eladrin lords. But the ruined keep is home to a hungry curse capable of drawing the heroes back through time and space. Cast into a foreign realm of endless horror and bloodshed, it will take all your courage and cunning to end...the Curse of the Kingspire. The popular Master Dungeons line continues to offer experienced dungeon masters options for advanced games with this next adventure in the series!
